Klug und spannend erzhtVon Neo NoirEgal was Scott Snyder zurzeit anpackt, es gelingt im tadellos. Ob "American Vampire" oder "Batman: The Black Mirror" - es gibt im Moment nur wenige andere Autoren, die es schaffen, wirklich originelle, anspruchsvolle und spannende Comics zu schreiben."Batman: Gates of Gotham" geht zweifelsohne in

diese Reihe. In Gotham werden bei einem tödlichen Anschlag drei Brücken gleichzeitig gesprengt, die große Symbolkraft haben und mit drei großen Familien aus Gotham verknüpft sind. Batman (Dick Grayson) macht sich samt Anhang natürlich sofort auf die Suche nach dem Schuldigen und muss entdecken, dass die Spur zur Aufklärung des Verbrechens bis ins ausgehende 19. Jahrhundert zurückreicht. Wie so oft in Batman-Comics erzählt auch "Batman: Gates of Gotham" von Verlust, Rache und Wahnsinn, aber aufgrund Scott Snyders kluger und durchdachter Erzählweise wirkt die Geschichte zu keiner Zeit altbacken oder redundant. Geschickt verknüpft er immer wieder die Geschehnisse der Gegenwart mit denen der Vergangenheit, so dass der Leser ganz nebenbei auch noch etwas über eine frühe Blütephase im prosperierenden Gotham des ausgehenden 19. Jahrhunderts erfährt. Die Geschichte umfasst allerdings nur fünf Kapitel, ist also ziemlich schnell erzählt, dafür aber jederzeit spannend und kann mit dunklen, atmosphärischen Zeichnungen überzeugen. Als Bonus gibt es noch die Kurzgeschichte "The Nightrunner", die Entstehungsgeschichte des Batman der Pariser Banlieue, die sich in die "Batman, Incorporated"-Reihe eingliedert. Insgesamt ist "Batman: Gates of Gotham" eine grandios und unterhaltsam erzählte Geschichte, die deutlich macht, dass Scott Snyder ein verdammt talentierter Autor ist. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Weaving the Net of Batman Inc. Tighter Von Kundenrezensionen There's been a time, when the Elliot-, the Kane-, the Wayne- and the Cobblepot-family worked together in the creation of a new Gotham. For this they employed the service of two architect-brothers who made their visions for the city a reality - and themselves descended into a personal nightmare. More than 100 years later some of the edifices they built are attacked and Tim, Damian, Dick and Cassandra have to find out what's up before more expensive and historical significant Gotham real estate blows up. And in this they - and we - learn a lot about the early history of the city of the Bat. Apart from this interesting and nicely told and drawn story we also see the birth of the Batman of Paris directly out of the Banlieu and his way to become an employee of Batman Inc.. Also a very nice story, that shows the scope of the Inc.-idea. Here's hoping that it will work in the long term. 0 von 0 Kunden fanden die folgende Rezension hilfreich. short review Von Andrew O Snyder proves once more that he is the Batman author of our generation. As a fan he knows what readers want! I recommend it to anyone!

Kurzbeschreibung A NEW YORK TIMES BESTSELLER At the turn of the century, three prominent families shaped the construction of modern-day Gotham City. Now, a madman with three-hundred pounds of explosives and a century-old grudge is threatening to bring it all crashing down. Beginning with the simultaneous destruction of some of Gotham's oldest bridges, the mysterious villain is targeting the holdings and legacies of Gotham's most notable families--including the Waynes. To uncover the truth behind the villainous Architect and his link to the city's violent past, Batman unites with Robin, Red Robin and Batman Inc.'s Hong Kong operative the Black Bat. But can they stop their new foe's plans before it's too late? The future of Gotham started with an explosion, and it could end the very same way... The critically acclaimed scribe of BATMAN Scott Snyder teams with hot young writer Kyle Higgins (Nightwing) and Ryan Parrot for a mystery that stretches back to the earliest days of Gotham, with art by the all-star team of Trevor McCarthy, Dustin Nguyen, Graham Nolan and Derec Donovan. Pressestimmen The dual narratives that Snyder and Higgins weave together mesh so fluidly that Gates of Gotham becomes one hell of an informative page-turner. -- IGN Kurzbeschreibung A NEW YORK TIMES BESTSELLER At the turn of the century, three prominent families shaped the construction of modern-day Gotham City.
