Von PAUL CORNELL : **Batman: Knight And Squire** before purchasing it in order to gage whether or not it would be worth my time, and all praised Batman: Knight And Squire:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The Dark Knight of Britain - a really Anglo Take on Super-HeroingVon KundenrezensionenKnight and Squire had their big cameo in the Batman Robin-mini-series in which they are part of the misguided attempt to resurrect Batman's corpse in a Lazarus-pit under British soil. This collection tells us in a mixture of 60th- and 21st century-style a bit

more about this dynamic duo which is quite a bit influenced by their surroundings - as are their co-combattants and their villains. Dr Who, Terry Pratchett, Shakespeare and many more British influences are shown in these stories and for the readers in the colonies short articles explain a lot of background for the otherwise English-speakers in the world. A must for Anglophiles everywhere and for fans of the Dark Knight and the Joker who also like to "take the Mickey." For all other comers certainly an acquired taste. Very British - in a nice whimsical way.

Kurzbeschreibung Just as Gotham City has Batman and Robin, London has Knight and Squire the British heroes and frequent allies of The Dark Knight. In a secret bar within the city where magic is used to keep the peace, heroes and villains gather to enjoy a pint and talk about their days. But what happens when the magical barriers that prevent fighting are dropped and a building full of heroes and villains confront each other all at once? Knight and Squire have to save both friend and foe in this tale from hot writer Paul Cornell (ACTION COMICS) and up-and-coming artist Jimmy Broxton (THE UNWRITTEN).
