Von Grant Morrison : Batman R.I.P. (Batman by Grant Morrison series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Batman R.I.P. (Batman by Grant Morrison series):

Von FlohIch fhlte mich von Mr. Morrison schon ein wenig ausgetrickst.Erst einmal, ist der Inhalt nicht zu verstehen ohne vorher "Batman Son" und "The Black Glove" gelesen zu haben. Das ist in Comics so blich und verschmerzbar. Um die ganze Geschichte so richtig geniessen zu knnen, sollte man aber auch "The Black Casebook" eine Zusammenstellung frherer Batmanstorys auf die sich "R.I.P." bezieht, kennen. Auch das geht noch, aber was

mich rgerte, ist die von Morrison eingebaute Lcke am Ende. Auf der einen Seite sieht man Batman eine Hubschrauberexplosion erleben, auf der nchsten beginnt Alfred pltzlich ber den Tod Batmans zu rekapitulieren ohne zu erklren, wie es dazu kam. Wen's interessiert -und ich nehme an, das sind so ziemlich ALLE R.I.P. Kufer- muss sich die FINAL CRISIS von Morrison zulegen. Der Tod von Batman wird dort dann in ca. 3 Seiten abgehandelt und dafr muss man sich durch eine ziemlich unbersichtliche Story qulen, vor allem wenn man man wie ich nicht die letzten 5 Jahre JLA gelesen hat. Das ist ziemlich schade und verhagelt mir die Laune ein wenig, die R.I.P. - Story an sich ist aber einwandfrei.0 von 0 Kunden fanden die folgende Rezension hilfreich. Complex but interesting storyVon MGComplex but interesting story, very good artwork and lettering. Perhaps best if you read the black glove graphic novel first.3 von 5 Kunden fanden die folgende Rezension hilfreich. In-depth psychological perspectives of a fighting mind - quite revealingVon KundenrezensionenThis book is the continuation of the events in "Black Glove" and here Dr. Hurt is now on his last leg to deconstruct the Batman in every way imaginable. But the Batman is not only somebody who has honed his body to perfection, his mind and spirit have also undergone a strict and all-encompassing schooling. And in his fight for his identity we learn which ways he went to do so. People who meditate on a more serious level and martial artist who have integrated serious meditation into their training will recognise quite a bit in this book that is not only an interesting read but also beautifully manufactured. I'm quite happy with the De-Luxe-edition.

KurzbeschreibungTying into his other blockbuster stories of 2008 FINAL CRISIS and BATMAN, "The Resurrection of Ra's al Ghul," the legendary Grant Morrison confronts readers with the unthinkable...the death of The Dark Knight. The troubled life of Bruce Wayne seems to spin out of control when his relationship with the mysterious Jezebel Jet deepens. Soon, Bruce Wayne drops out completely, having seemingly become the victim of mental illness, and abandons his Batman identity for a life on the streets of Gotham City. Capitalizing on the fall of their greatest foe, the Club of Villains begin a crime spree through the streets of Gotham that threatens to bring the city to its knees.
