Father Son - Quality Time, Batman-StyleVon KundenrezensionenDamian Wayne is now living with his real dad and this is quite demanding. Bruce tendency to order his partners and side-kicks around gets even more heavy-handed when it is

about reigning in the murderous leanings of his offspring who has learned killing from the best of the art. And while these two - and Alfred - try to find a way to communicate and live with each other, a shadow of Bruce's past comes to Gotham to protest in the strongest means possible the creation of Batman International - and the way Bruce raises his son. In the "New 52" this shows again a new kind of origin-story for the Bat and at the same time - and mainly - how Damian and Bruce find a kind of father-son-rapport. Interesting groundwork for the new DC-universe, very nicely put to art. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Action und Spannung! Von Philippus procax Ich muss sagen, dass ich nicht viel erwartet habe. Aber dieser Band hat mich wirklich überrascht. Von Anfang an wird ein wahnsinniges Tempo gefahren, das eigentlich nicht abnimmt. Die Story ist wirklich spannend und BLUTIG. Das Finale ist top. Auch für Damien-Kritiker eine Empfehlung.

As Batman and Robin try to adjust to their new partnership, a figure emerges from Bruce Wayne's past: His name is NoBody, and he's not happy that Batman Incorporated is shining a light on his own shadowy war against evil... This volume collects issues 1-6 of Batman and Robin, part of the DC Comics The New 52 event. **Pressestimmen** Intriguing. USA Today Powerful effects and sharp characterization. Publishers Weekly Watching [Robin] struggle to reconcile his mother's cold-blooded anger with his father's compassion and nobility (and not a little outright arrogance from both sides of the family tree) has been one of the highlights of the comics reading experience in recent years. Maxim This is the kind of Batman story I like to read: an actual mystery with an emotional hook. The Onion AV Club The storytelling is crisp, punchy and clean in both words and art even when they both get pretty dark. I think that's what I loved most about this book, the way the two complimented each other so well. Time Out Chicago Peter J. Tomasi and Patrick Gleason are knocking it out issue after issue. Wired.com Rock solid. IGN A fascinating story about a very complicated relationship. Newsarama Tomasi and Gleason have upped their collective game. **iFanboy** **Kurzbeschreibung** As a part of the acclaimed DC Comics The New 52 event of September 2011, Batman begins battling evil with his son, Damian, at his side, Batman now realizes that the hardest part of the job may be trying to work together!
