**Von Marc Andreyko : Batwoman (2011-2015) Vol. 6: The Unknowns** before purchasing it in order to gage whether or not it would be worth my time, and all praised Batwoman (2011-2015) Vol. 6: The Unknowns:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Mystisches und mehr Mystisches Von Kundenrezensionen Am Ende des letzten Sammelbands hatte Nocturna Kate in eine Vampirin verwandelt, was ihre Auftritte als Batwoman in eine ganz neue Richtung lenkte. Hier setzt der neue Sammelband an, der aber Kate und einige Verbndete erst einmal im Orbit im Kampf gegen Morgan Le Fay und ihre

Verbindeten sieht. Der Rest des Bands ist in erster Linie damit beschäftigt, den Weg dahin zu beschreiben - wobei die Flashbackstruktur zum Teil ein wenig verwirrend ist. Aber ihre Verbindeten - Clayface, Etrigan, Ragman und Red Alice, die neue Geheimidentität ihrer Halbschwester - geben ein interessantes und farbenfrohes Begleitpersonal ab. Nach der Orbitgeschichte geht es in zwei weitere Stories, wobei mir in der letzten ein wenig der Eingang in die Kontinuität fehlt. Deswegen - und wegen der Flashbackstruktur ein Punkt Abzug von dieser ansonsten sehr unterhaltsamen Sammlung.

Kurzbeschreibung Meet The Unknowns Clayface: a desperate man driven to madness and monstrosity by a magical artifact that transformed him into a shapeshifting killer. Ragman: a guardian of Gotham City whose supernatural suit is woven from a thousand lost souls. Etrigan the Demon: a prince of Hell bonded to a human host a millennium ago, desperate to free himself ever since. And Batwoman: a crimefighter whose alter ego, Kate Kane, may have just lost the love of her life, only to find passion in the arms of a creature of the night. Heroes, villains, something in between - to each of them, the others are a complete unknown. But an ancient evil has returned from beyond the grave: Morgan Le Fey, the mad witch who destroyed King Arthur's Camelot and would do the same to all civilization. It's an evil this fearsome foursome can only stop together - if they don't tear each other apart first. Writer Marc Andreyko and artists Georges Jeanty and Juan Jose Ryp present BATWOMAN: THE UNKNOWNNS (collects issues #35-40, BATWOMAN ANNUAL #2, and BATWOMAN: FUTURES END #1) - a tale of magic and mayhem that will take Batwoman from the gutters of Gotham to the coldness of space to the depths of her own heart! Pressestimmen Praise for Batwoman: "The most satisfying read of the new DC 52." - The New York Times "In our world, barriers slowly erode; in superhero stories, they get smashed." - Rolling Stone "Put away your misconceptions about female heroines and pick up this book." - Complex Magazine "Shatters expectations." - Complex Magazine Kurzbeschreibung Meet The Unknowns Clayface: a desperate man driven to madness and monstrosity by a magical artifact that transformed him into a shapeshifting killer.
