Kurzbeschreibung Be a Better Dad Today! is a global bestseller for a reason: it's one of the best books on fatherhood you will ever read. Warmly endorsed by dozens of America's best-known and most respected fathers, the book lays out the "Ten Tools of Fatherhood" that will help every dad who uses them. The book is the product of Slayton's thirty-year study of fatherhood on five different continents, his research, and his own experience raising four children with his wife of twenty-six years. Slayton's easy-to-read, friendly style makes it a fun read, and the many great real-life stories bring it to life. Be a Better Dad Today! is an inspirational, encouraging, and down-to-earth guidebook for every father who wants to be a better dad--for his family's sake and his own. With humor, empathy, common sense, and engaging stories, Slayton reveals proven and powerful tools and techniques that will help every dad fulfill his God-given responsibilities. Whether parenting younger or older kids, boys or girls, blended families or as a single dad (or even as a father-to-be), readers will find wise insights and practical, doable action steps for becoming the best dad they can be. The book makes a great gift for Father's Day, Christmas, birthdays, or any day. And since the Slaytons are dedicating 100 percent of all royalties from the book to fatherhood and family charities serving the US Military and at-risk families, your purchase will be a blessing to the fathers and families who serve our nation every day.
