excellent outline of the book of Jeremiah Von Ein Kunde Warren Wiersbe has a remarkable ability to outline the books of the Bible in a down to earth, practical fashion that anyone can understand. This study of Jeremiah is a good resource for anyone wanting to better understand this Old Testament Prophet.

Kurzbeschreibung Imagine living in a world with no moral absolutes. A place where truth is in the eye of the beholder. A society with eroding standards. Sound familiar? Yet this dilemma is not new. The prophet Jeremiah was called to take a public, and unpopular, stand for God's truth. His story can inspire us to make the powerful, decisive choice to say firm in our faith and values. Part of Dr. Warren W. Wiersbe's best-selling "BE" commentary series, Be Decisive has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe shares the need for decisive believers in a lukewarm culture.
