Von John R. K. Clark : Beaches of Oahu, Revised Edition (Latitude 20 Books (Paperback)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Beaches of Oahu, Revised Edition (Latitude 20 Books (Paperback)):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The local's guide for visitors.Von Ein KundeThis book, and the others in the series for Maui, Kauai and Hawaii, is indispensible for Hawaiian visitors and locals. It gives the best beaches for swimming, surfing, snorkeling and also critical safety information. Every year visitors drown because they don't know which beaches are safe and which

aren't. This book covers every square inch of beach and coastal access. Also gives fascinating historical notes. As a frequent visitor for over 20 years, I still take mine with me on every trip!

Kurzbeschreibung Now completely revised and updated, this edition of *Beaches of Oahu* offers sixty new color photos of the island's spectacular beaches and coastline by photographer Mike Waggoner, a water safety section, and 22 newly drawn maps locating more than 130 beaches and shoreline parks. The beach descriptions and maps include many of the island's popular surfing sites.

Synopsis Now completely revised and updated, this edition of *Beaches of O'ahu* offers sixty new color photos of the island's spectacular beaches and coastline by photographer Mike Waggoner, a water safety section, and 22 newly drawn maps locating more than 130 beaches and shoreline parks. The beach descriptions and maps include many of the island's popular surfing sites. All beaches, known and relatively unknown, are listed with their physical characteristics, recreational uses, historic and cultural significance, and any dangers that beach-goers may encounter. Each beach is identified by its official and unofficial, or popular, name (if any) used by residents. When available, the author has added brief histories of beaches as handed down through the native Hawaiian oral tradition and related Hawaiian chants and verses.
