Von Constance C. Greene : Beat the Turtle Drum (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Beat the Turtle Drum (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A touching story of two sisters and dealing with changeVon CustomerThis book was published the year I was born and when I was 8 or 9 I remember seeing it in the library and at Fred Meyer's while looking at books. I soon became familiar with the author when I read her book Isabelle The Itch. Although this book seemed good, I didn't get

interested in it until much later, in fact I picked up a copy last week at a thrift store for 50 cents and I just finished reading it today. MMM, what a touching story. It reminds me of my childhood, growing up in the suburbs of Seattle in a town called Lynnwood. I wanted a horse bad and me and my sister would play horses all day and pretend to be pioneers. Then we'd sit on the fence outside and watch the sunsets over the Olympic Mountain range; a lot similar to the things Joss and Kate did together. We moved up north east of Lynnwood a few years later and I'd see this book in the school library but I guess I sorta forgot about it until I saw and bought it recently. Anyway it is different from the author's story about her character Isabelle. Isabelle is more comedy-style, whereas this book deals with some serious fact-of-life issues we all need to face sooner or later. So easy to take our loved ones for granted, thinking that they'll always be with us. This book helps you to appreciate what you've got and to spend quality time with the ones you love because you never know; it could all just crumble any time. Before the tragic part in the book, I found a lot of interesting parts and some were even kind of funny. Ms. Greene uses the right blend of comedy and tragedy. Go, Ms. Greene!

Von Amber58I'm twenty-eight years old and I remember reading this book when I was ten years old. I remember that I was sitting in my mom's car outside the YWCA while she took my younger sister for a swimming lesson. I sat in the car reading and sobbing. As a child this book touched me very deeply, and as I got older and inevitably had to deal with the deaths of people I loved, I thought of this book. I think that this is an incredibly good preparation for that part of life we call death. I would recommend it to anyone.

Von Ein KundeIt was a great book, I think it read the entire book in at least three sittings. It was great, and all I wanted to do was read it, and then when I got down I was sad!!! I cried over the death of the girl, wouldn't anyone, it's just so sad. The only thing that disappointed me was that I wish it would've been longer, and went on to tell how the sister dealt with the death in later years, other than that...perfect.----13-yr-old from WI

KurzbeschreibungAn ALA Notable Book and an IRA-CBC Children's Choice: Losing your sister can mean losing your best friend too Thirteen-year-old Kate is thrilled for her sister, Joss, when Joss finds out she gets to keep a horse for a week as a birthday present. Then in one tragic moment, all of the happiness is gone, and numbness and grief overwhelm the family. Kate cannot imagine how she'll survive but knows somehow she must come to terms with her loss. In this heart-wrenching story, Kate strives to find a place where joyful memories and painful loss can coexist.
