Von N.R. Wick : Beautiful eBooks with Scrivener: Master the Compile Function and Create Distribution-Ready eBooks (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Beautiful eBooks with Scrivener: Master the Compile Function and Create Distribution-Ready eBooks (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Gute Zusammenfassung - aber nur bedingt fr SachbuchautorenVon RosenDas Buch ist eine brauchbare Zusammenfassung, wie man ein eBook mit Scrivener erstellt. Gut gefallen hat mir die klare Sprache und der handfeste "How to"-Charakter der Anweisungen. Bis dahin alles ganz ntzlich, wenn auch manchmal etwas sehr kurz gefasst. Abzge gibt es, weil es sich eigentlich nur an Belletristik-Autoren richtet. Es fehlen gnzlich Hinweise zur Integration von Bildern, Formatierung von Tabellen und genauere Hinweisen/Empfehlungen zu Funoten. Ebenfalls fehlen ausfhrliche Hinweise zu den Shortcodes fr Kapitel bzw diese werden sehr knapp abgehandelt. Ja, steht zwar alles im Handbuch, nur man htte es erwnnen sollen. Am liebsten htte ich 3,5 Sterne vergeben aber das geht nicht. Nur drei Sterne wre aber auch nicht fair. Daher wohlwollende 4 Sterne.1 von 2 Kunden fanden die folgende Rezension hilfreich. Gute Buch, hab mir die Software auch gleich geholtVon Andreas WielandDieses Buch motiviert mich ungemein, in Krze mein eigenes E-Book zu bauen.Gut geschrieben mit vielen wichtigen Tipps und Hinweisen, insbesondere zur technischen Fertigstellung und Publizierung des eigenen Werks.

KurzbeschreibungThis second edition has even more material to help you use Scrivener to compile beautiful eBooks!If you want a quick and easy way to produce custom eBooks straight from your Scrivener project in a matter of minutes, then this guide can help. Don't struggle to make the Compile options work for you. This precise eBook will teach you how to use Scrivener's compile function like a pro! Learn what the options mean and how to use them to make your book look precisely the way you want it to. There are images and project examples included to provide you with clear, understandable instructions. As a bonus for this edition only, you will have access to an importable Compile Preset that can help you get started! Please note, this guide reviews Scrivener's compile function ONLY. Beautiful eBooks with Scrivener uses the original Mac version of Scrivener 2.6 or higher. While it may be useful to Windows users, it does not discuss specific instructions on how to use the Windows version or any other versions.KurzbeschreibungThis second edition has even more material to help you use Scrivener to compile beautiful eBooks!If you want a quick and easy way to produce custom eBooks straight from your Scrivener project in a matter of minutes, then this guide can help.
