Es ist sehr leicht zu lesen! Wrter die man nicht weis kann man ja bersetzen oder sie ergeben sich aus dem Zusammenhang1 von 1 Kunden fanden die folgende Rezension hilfreich. sehr schn, vor allem fr die Serien FansVon jens g...Ich gucke die Serie gerne und hab erst berlegt ob ich mir das Buch kaufe, weil mein englisch doch etwas eingerostet ist,aber supi, vor allem wenn man die Serie schaut, da hrt man ja auch viele der Begriffe. Es geht um die zeit vor dem TV, also wie sich die Partner alle kennen gelernt haben.2 von 3 Kunden fanden die folgende Rezension hilfreich. Einige Interessante Zusatz Infos...Von AnnikaG92Ich habe vor ein paar Wochen Sister Wives bzw. Alle meine Frauen entdeckt und war sofort interessiert an der Geschichte der Familie Brown ich habe praktisch alle verfgbaren Folgen angesehen und dieses Lebensmodell ist faszinierend mich hat aber auch immer interessiert wie diese Menschen alle zusammen gekommen sind und ja das Buch bietet darauf ausfhrliche Antworten es erzht wie jede Beziehung entstanden ist z.b. Auch was glaube ich nur einmal in der ersten Staffel erwht wurde das Janelle mit Meris Bruder verheiratet war, wir erfahren hier mehr ber alle Beteiligten wer die Browns mag wird dieses Buch auch mgen und Vor allem wer mehr wissen mchte was die Vorgeschichte der Browns angeht ist hier richtig.... Sprachlich fand ich es nicht wirklich schwer zu verstehen muss ich ehrlich sagen ich habe aber zwischendurch auch 1 oder 2 Wrter machgesehen.

KurzbeschreibungIn many ways, the Browns are like any other middle-American family. They eat, play, and pray together, squabble and hug, striving to raise happy, well-adjusted children while keeping their relationship loving and strong. The difference is, there are five adults in the openly polygamous Brown marriageKody and his four wiveswho among them have seventeen children. Since TLC first launched its popular reality program Sister Wives, the Browns have become one of the most famous families in the country. Now Kody, Meri, Janelle, Christine, and Robyn reveal in their own words exactly how their special relationship worksthe love and faith that drew them together, the plusses and pitfalls of having sister wives, and the practical and emotional complications of a lifestyle viewed by many with distrust, prejudice, even fear. With the candor and frankness that have drawn millions to their show, they talk about what makes their fascinating family work, addressing the topics that intrigue outsiders: How do the four relationships differ? What effect does a polygamous upbringing have on their children? What are the challengesemotional, social, or financialinvolved in living this lifestyle? Is it possible for all four sister wives to feel special when sharing a husbandand what happens when jealousy arises? How has being on camera changed their lives? And whats it like to add a new wife to the familyor to be that new wife? Filled with humor, warmth, surprising insights, and remarkable honesty, this is a singular story of plural marriage and all the struggles and joys that go with it. At heart, its a love storyunconventional but immediately recognizable in the daily moments of trust, acceptance, forgiveness, passion, and commitment that go into making one big, happy, extraordinary family.KurzbeschreibungIn many ways, the Browns are like any other middle-American family.
