Good Book!!Von Ein Kundehi us and are best friend are the stable club. we read alot of bonnie's books. we think this one was great. Deborah asks the saddle club to tell her a story about each of them without horses! can carole possibly tell a story about herself without horses? well we liked stevie's story. Lisa's story was good but, CHARM SCHOOL!!! come on she's only 8yrs old!! we feel bad for lisa. charm school! yuck!!! we liked carole's story the best though. she

says she's talking about a dog, but guess what it really is?! you probably know, i mean after all Carole can't possibly tell a story of her life that doesn't have at least one horsey part in it!!!! if you want to talk horses, then e-mail us at the address above. (it doesn't include the names.) remember, horses ALWAYS rule!!!!!!

We read a lot of Bonnie Bryant's books. They're all great-including this one. I liked each girl's stories, especially Carole's. I guess Carole could never talk about something other than horses. Stevie's story was pretty funny. I guess Stevie has been mischievous ever since she was younger! Lisa's story was kind of boring, but I guess that's how her life really was. But it was interesting. An eight-year-old going to "charm school?" We the Stable Club love the Saddle Club books and even the new "Pine Hollow" books. (The Saddle Club is the best!)

She requests they tell a story without horses, and it has to teach her how to be a good mother. Stevie's story is interesting about her and another prank. Lisa's story is about how a mother should never make her child do anything. And Carole's story is a complete lie!

Kurzbeschreibung Max's wife, Deborah, is about to have her baby, and the Saddle Club girls are keeping her company before she goes to the hospital. Stevie, Carole, and Lisa all recount in their own words what their lives were like before horses, and how they've never been the same since. When the last tale has wound down, Deborah realizes that the baby is about to arrive.

I don't want you to read to me from your horse books. I want each of you to tell me a real-life story that really happened to you." "Great," said Stevie. "There was the time Belle and I--" "No. I want to hear stories that don't have anything to do with horses." "What for?" Carole asked.
