Kurzbeschreibung Here is a simple and easy guide to the Korean alphabet. Do you want to read your favorite Korean celebrity's name in Korean? Do you want to read the lyrics of your favorite K-pop song? Or, do you want to share a secret with your friends using letters that other people don't know? If your answer to any of these is 'yes', then this book is for you. The Korean alphabet is so simple and easy that English-speaking people can usually learn it in a single morning, and this book will make it even easier for you. Providing a clear introduction to the Korean language that is rapidly growing in popularity it is now the tenth most frequently used on the Internet this book also offers a look at the intriguing history of a clever approach to written expression that is quite different to western Romanized languages. As you quickly work your way through the text, the examples, and little quizzes, you will find you can easily read your favorite Korean celebrity's name, read the lyrics of your favorite K-pop song, and even write your name in Korean. Just try it! It's fun!
