Von Ray C. Hunt, Bernard Norling : Behind Japanese Lines: An American Guerrilla in the Philippines before purchasing it in order to gage whether or not it would be worth my time, and all praised Behind Japanese Lines: An American Guerrilla in the Philippines:

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. A terrific eye-witness narrative of combat operations. Von Midwest Book Review Behind Japanese Lines: An American Guerrilla In The Phillippines is the story of Ray Hunt, an American soldier who escaped the Bataan Death March and organized a troop of American and Filipino guerrillas. Hunt tells his own vivid and harrowing tale of life as a guerrilla

behind Japanese lines, the struggle to survive and harass the Japanese, even the lingering fear among his troops that, because they had not followed orders to surrender to the Japanese when their units in Phillippines surrendered to the Japanese, they would be court martialled for desertion if the Americans won the war. Hunt also argues against the lack of American thanks or compensation to the insurgent Filipinos after the war. Behind Japanese Lines is an exceptionally well written, eye-witness narrative that is a much appreciated and welcome contribution to the growing library of World War II literature regarding combat operations in the Pacific Theater. 1 von 1 Kunden fanden die folgende Rezension hilfreich. An Engrossing Nonfiction book that reads like a novel Von D.CaracciloRay Hunt and Bernard Norling's BEHIND THE JAPANESE LINES is a story of Hunt's experiences as an escaped Bataan Death March American Soldier. Having Published SURVIVING BATAAN AND BEYOND (STACKPOLE 99)I felt compeled to read this book and I am happy to say that I was not diappointed. It is a harrowing tale of the life of a guerilla in the Philippines. While much has been written on the soldiers surviving the Death March itself, little is published on those that "ran to the hills" in an act of bravery and a desire to survive. Hunt and Norling hit the mark with this book.

KurzbeschreibungBehind Japanese Lines has a great deal to say about the relations with the Filipinos and about the problems of dealing with and fighting the Hukbalahaps, the communist guerrillas or, indeed, in opposing the Japanese. This book adds considerable insights into the significance of guerrilla warfare as it relates to modern warfare in general.Pressestimmen"General Hunt's arguments deserve detailed consideration and his book should be read by all serious students of the Vietnam War." -- David T. Zabecki, "Vietnam Magazine""KurzbeschreibungBehind Japanese Lines has a great deal to say about the relations with the Filipinos and about the problems of dealing with and fighting the Hukbalahaps, the communist guerrillas or, indeed, in opposing the Japanese. This book adds considerable insights into the significance of guerrilla warfare as it relates to modern warfare in general.
