**Von Jessica Burkhart : Behind the Bit (Canterwood Crest)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Behind the Bit (Canterwood Crest):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooSasha is in quite a predicament...friend and boy wise. Her BFF, Callie, thinks she's after her crush, Eric, but Sasha swears they are just friends. After all, she likes Jacob and wishes he was back at Canterwood Crest so they can talk about her outburst before he left.Regardless, Callie won't talk to her, and that means Sasha really only has Eric and her horse, Charm, to turn to. In the process of trying to win back her friend, Sasha

learns that mean girl Heather isn't all she appears to be, the older girls have a trick up their sleeve, and being in a clinic might be harder than she thought. Jessica Burkhart has written a fun series that is sure to suck younger girls in! There is plenty of jealous yet realistic situations and actions. You get a wide variety of characters, from mean girls to mistaken mean girls and all the types in between. Everyone, for the most part, seems fleshed out and real, and Sasha is definitely one heroine to root for! Eric is a swoon-worthy friend, ready and willing to do whatever he can to help another. He has his own feelings, though, and you'll definitely feel for him throughout the story, even when Sasha is too lost in her own problems to realize someone else's thoughts. *BEHIND THE BIT* is just one book in the series, but it can stand alone quite well, and is sure to make readers most curious for the rest! Reviewed by: Lauren Ashley

**Kurzbeschreibung**In *Chasing Blue*, Sasha and her horse, Charm, have proven that they're worthy competitors for the elite Canterwood Crest equestrian team. Things are definitely looking up . . . until Sasha finds out who her riding partner for the semester is: her archnemesis, Queen Bee Heather. Not. Good. And when Heather starts spending a little too much QT with Sasha's almost-boyfriend, Jacob, the partnership is put to the ultimate test. The tension builds in *Behind the Bit* when Sasha and her team are accepted to a prestigious horse clinic. Can Sasha and Callie work together when it counts?

ber den Autor und weitere Mitwirkende Jessica Burkhart is twenty-one years old and a full-time freelance writer. She was a competitive rider when she was younger but had to stop riding due to debilitating scoliosis. Thankfully, she has made a complete recovery. Although she is no longer able to ride horses, Jessica enjoys living vicariously and experiencing riding again through Sasha. She lives in Tallahassee, Florida. Visit her at [canterwoodcrest.com](http://canterwoodcrest.com).
