Von Meryle Secrest : Frank Lloyd Wright before purchasing it in order to gauge whether or not it would be worth my time, and all praised Frank Lloyd Wright:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Lots of facts, little story Von Ein Kunde This biography is chock full of FLLW information and reveals the details of Wright's most outrageous life events, but it lacks a common story or thread. The book is a re-telling of Wright's life through primary sources and interviews with the many people who worked and lived with him. The major drawback of the book is I never heard the voice of Wright himself come through the pages.

Kurzbeschreibung The widely admired biographer of Bernard Berenson (A triumph Washington Post; A perfect riot Michael Holroyd; Astonishing London Sunday Times) and of Kenneth Clark (Splendid, enthralling The Wall Street Journal) gives us now a complete and complex portrait of an American titan, Frank Lloyd Wright. Meryle Secrest shows us Frank Lloyd Wright in full scale the brilliant, outrageous, fascinating man; the giant who changed modern architecture; the standard-bearer for the new, quintessentially American vision, the artist who never, during a seventy-year career, abandoned his principles of design; the radical, the Bohemian the visionary who was one of the central figures of the twentieth-century American culture, society and politics. Meryle Secrest is the first biographer to have full access to the Frank Lloyd Wright Archives. Her life of the architect, more than five years work and illustrated with 121 photographs, is a stunning feat of biographical narrative, sustained analysis and compassionate insight. With her extraordinary grasp of the man and his art, she gives us Frank Lloyd Wright close up a creature of boundless energy and indomitable appetite for experience, a man whose limitless belief in his own rightness carried him through bankruptcy, arrest, fire, divorce, and years of social ostracism. A riveting portrait of a genius.
