Top!Von pytismaGroartiger Comic/ Graphic Novel. Wie auch bei den anderen Sin City Teilen ist gerade das Artwork von Frank Miller einfach berragend. Die Story ist auch sehr nett. Allerdings sind mir die Bcher fast ein wenig kurz geraten. Dafr kann man sie aber auch gerne mehrfach durchlesen und sich vor allem an den grandiosen Zeichnungen erfreuen, die zu dem Besten gehren, das ich persnlich kenne. Bin mal sehr gespannt, wie die Geschichte dann im neuen Film umgesetzt wird...0 von 1 Kunden fanden die folgende Rezension hilfreich. nr on e was better but i love itVon Larizona Jellyfishnice book, well drawn, easy to read i only needed 45 minutes. it needed only 2 days after i paid ;)0 von 3 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungThe second volume of Frank Miller's signature series is now planned as the lead story in the upcoming Sin City 2! This newly redesigned edition sports a new cover by Miller- some of his first comics art in years! Stuck with nothing but a seedy gumshoe job and some demons, Dwight's thinking of all the ways he's screwed up and what he'd give for one clear chance to wipe the slate clean, to dig his way out of the numb gray hell that is his life. And he'd give anything. Just to feel the fire. One more time. But he can't let himself lose control again, can't ever let the monster out. And then Ava calls. With a new look generating more excitement than ever before, this third edition is the perfect way to attract a whole new generation of readers to Frank Miller's masterpiece! * Over a million Sin City books in print! * New cover by Frank Miller! * A Dame to Kill For is planned as the lead story in Sin City 2, to be directed by Frank Miller and Robert Rodriguez!.deFrank Miller's Sin City is visually quite astonishing. A brutal adult noir set in the fictional Basin City, Miller's black and white artwork realises the atmosphere of some weird Depression-era-style future superbly well. Our principal character, Marv, is a giant, as large as he is ugly, who has found some peace, some kindness, some shelter in the arms of a prostitute called Goldie. Goldie, running from someone, scared as hell, needs protection as much as Marv needs a little human kindness. Hauling himself out of the depths of a huge hangover Marv wakes to find Goldie murdered. And revenge is one of the things Marv does best. While the artwork is undeniably fine the story is rather thin in places, and the sound effects come a little too thick and fast. Although not a great comic it is a very good one and, as the first part of the classic Sin City series, the beginning chapter in what has become an essential addition to the adult graphic novel collector's list. --Mark ThwaitePressestimmenwww.aintitcoolnews.com: " Dare I say the most perfect depictions of noir in illustrated literature form? yes indeedy..."
