a downer... Von Ein Kunde I love Frank Miller's Sin City series. Even though I lost interest in comics as a teenager, my interest in the Sin City stories has stayed strong. But "Family Values" is a real disappointment. It starts off promising, brutal killings, great dialogue, a mafia theme, but it gets pretty far-fetched before long. I found myself cringing at the action sequences. Spectacular deaths, yeah, but freakin' CHEESY! The art work looks rushed.. sure, it's looked rushed before in other Sin City volumes, but the stories always made up for it. This story wasn't very impressive. The ending just fizzles. I would recommend this for hardcore fans and Sin City completists, but for anyone else, you'd be better off whipping out your old Sin City issues and reading 'em again. 5 von 5 Kunden fanden die folgende Rezension hilfreich. For hardcore Sin City fans only Von Ein Kunde Let me start by saying I'm a big Frank Miller fan, and I absolutely love "Sin City." If you have heard about how great "Sin City" is, and want to check it out, I'd recommend you read this one last. If you're going to skip one, this is the one. Basically, there's nothing to it. It had my interest early on, but then it just turns into one absurd action scene after the next. While that may sound cool, it gets old real fast. If you're a diehard "Sin City" fan, nothing I say will stop you from buying this. I don't think you'll hate it. I didn't. It's just mediocre when compared to the other "Sin City" stories. 2 von 2 Kunden fanden die folgende Rezension hilfreich. The Weakest of the Sin City Series Von Jeffrey A. Veyera Just when you think Frank Miller's back, he hits another slump. The Old Town Sin City stories have always been the weakest of the bunch, yet Miller returns to the formula yet again here. This time, the prostitutes of Old Town are caught in a Mafia gangwar. The plot is fairly incomprehensible as it marches on to its blood-soaked resolution, the artwork is definitely rushed and passionless, and the writing is pedestrian. Miller must have had some bills come due to justify putting this one out. If you need this to complete your Miller/Sin City collection, do yourself a favor and pick it up last.

Kurzbeschreibung Frank Miller's first-ever original graphic novel is one of Sin City's nastiest yarns to date! Starring fan-favorite characters Dwight and Miho, this newly redesigned edition sports a brand-new cover by Miller, some of his first comics art in years! There's a kind of debt you can't ever pay off, not entirely. And that's the kind of debt Dwight owes Gail. The girls of Old Town have their own family values, their own laws-and when someone too dumb to know better breaks them, an example needs to be set. Dwight's got his own reasons for taking the job, and deadly little Miho... Miho likes to play with them a little first. With a new look generating more excitement than ever before, this third edition is the perfect way to attract a whole new generation of readers to Frank Miller's masterpiece! \* Over a million Sin City books in print! \* New cover by Frank Miller! \* With Miller and co-director Robert Rodriguez gearing up for Sin City 2, this third edition is being released at just the right time! Synopsis Brace yourself for an all-new, never before published tale from Sin City, courtesy of award-winning writer/artist Frank Miller. An epic slice of urban pulp fiction. Welcome to Sin City, an urban jungle populated by human predators and low-life criminals. It's a town where everyone's on the wrong side of the law, even the cops. Luckily, Dwight (from Sin City: A Dame to Kill For and Sin City: The Big Fat Kill) has attitude and artillery, and is backed up by the lethal, sword-wielding Miho, but this time it may not be enough! This 'mature readers' collection features violence, nudity and swearing. Warning: Adults only! Sin City is now a hotly-anticipated movie, set for an early 2005 debut! Directed by Robert Rodriguez (Once Upon a Time in Mexico, Spy Kids) and Sin City and Batman: The Dark Knight Returns creator Frank Miller, the film stars an incredible line-up of talent. The Sin City cast includes Bruce Willis, Benicio Del Toro, Josh Hartnett, Jessica Alba, Brittany Murphy, Elijah Wood, Clive Owen, Jaime King, Michael Madsen, and Mickey Rourke as the iconic Marv!
