Children Will Enjoy ItVon Paul MartinFranklin is leary about journeying to his friend Fox's house as an eminent thunderstorm is brewing in the skies above. Through understanding and encouragement from his friends, Franklin learns to deal with the inevitable storm and gains comfort from his friends.

KurzbeschreibungFranklin seeks shell-ter from a storm and learns about the weather in a beloved storybook from the series that inspired the Franklin and Friends TV show! In this Franklin Classic Storybook, Franklin is afraid of

thunderstorms. When a storm approaches while he is playing at Foxs house, a flash of lightning sends Franklin into his shell. He refuses to come out even for snacks until his friends make him laugh with their tall tales about what causes storms. And when Beaver explains what really causes thunder and lightning, Franklin begins to feel much safer.
