KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Zieh Deine Flip Flops and und erlebe ein AbenteuerVon Angie M.Wer hat schon mal daran gedacht, alles zurueckzulassen,

dem grauen Alltag zu entfliehen und in ein fernes, warmes Land zu ziehen? Für manche wird das ewig ein Traum bleiben, aber Sonia Marsh und ihre Familie haben den Sprung gewagt. Mit ihren drei Söhnen und ihrem Mann zieht sie nach Belize, einem Land, in dem das Leben so ganz anders ist als in Orange County, Kalifornien. Dort nämlich herrscht nach ihrer Meinung nach ein unglaublicher Materialismus und ihre Kinder wachsen in einem konsumorientierten Milieu auf. Welche Herausforderungen sie in Belize mit ihrer Familie erlebt, die Höhen und Tiefen ihres neuen Lebens, beschreibt sie mit einer ungeschminkten Ehrlichkeit. Das tropische Paradies ist nämlich nicht nur ein Ort, an dem man Sonne tankt und in Flip Flops am Strand spazierengeht. Es ist auch die Geschichte über eine Familie, die irgendwie wieder zusammen findet und letztendlich herausfindet, was eigentlich wichtig im Leben ist.

Kurzbeschreibung What do you do when life in sunny Southern California starts to seem plastic, materialistic and just plain hellish? For Sonia and Duke Marsh, the answer was to sell their worldly goods and move to an unspoiled, simpler life with their three sons in Belize, Central America, a third-world country without all the comforts and distractions of life in the developed world. Sonia hopes the move will bring her shattered family back together. She feels her sons slipping away from her, and her overworked husband never has time for her or the boys. Instead, things begin to go wrong immediately. The home they initially rented isn't available, so the family is forced to take up residence in a primitive, bug-infested shack. Duke's telecommuting plans prove impractical because of unreliable Internet access, and he loses his job. Middle son Alec always a conscientious, polite, tractable child misses his friends and has trouble adjusting. As the days turn into months, Sonia finds herself questioning the family's decision to move on a nearly daily basis. This is the story of one family's search for paradise. In this memoir, Sonia chronicles a year of defeats, fears and setbacks and also the ultimate triumph of seeing once-frayed family ties grow back stronger from shared challenges and misfortunes. For Sonia, paradise turned out not to be a place, but an appreciation of life's simple pleasures a close-knit family and three well-adjusted sons with a global outlook on life.
