Courtesy of Teens Read TooVon TeensReadTooFRENCH KISSMAS is another installment of the Students Across the Seven Seas series.Nicole Larson is going to spend the holiday season in Paris. The previous year she studied in Paris and enjoyed her time there immensely. She had a great host family. She made a wonderful friend. And she had romantic chemistry with Luc. But knowing she wasn't staying in Paris permanently, she made Luc know that they could only

ever be friends. They lived too far apart. Nicole and her friend, Annike, are among a handful of past S.A.S.S. students who have come to Paris to assist in filming a promotional video for the program. They meet some new people, including Mike, who is also from America. The filming keeps them all busy, but they still manage to see some nightlife. Luc wants to be more than friends, but Nicole is constantly keeping him at a distance. On the other hand, Mike is trying to worm his way into Nicole's heart. Nicole explains to both suitors that she just wants to be friends. Her head is being rationale that she just needs friends, but her heart is trying to tell her something else...about Luc. This is a sweet, romantic read. Set in a sparkling city during a festive time of the year, readers will fall in love with Paris. They'll also enjoy the misadventures that befall Nicole as she tries to convince herself that she can remain just friends with both of the cute boys. Reviewed by: Jaglvr

Kurzbeschreibung For Nicole Larson, the Christmas season in Paris is more than just a romantic interlude it's also a homecoming. Nic studied abroad in Paris a year ago, and is back in town with her friend Annike to spend Christmas and New Years in the City of Light. Of course, now that Nic is there, the chemistry she once had with Parisian hottie Luc instantly reignites. But why fuel a romance that has only three weeks to survive? Nic would rather spend time with her new buddy Mike . . . until it becomes clear that Mike is also interested in being more than just friends. With a backdrop of twinkling lights on the Champs-Elyses and Parisian Christmas carols, it's going to be difficult for Nic to deny the romance around her. . . .
