**Von Nicole Johnson : Fresh Brewed Life: A Stirring Invitation to Wake Up Your Soul** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fresh Brewed Life: A Stirring Invitation to Wake Up Your Soul:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Hello! This is your wake up call! Von K. Garwood What is living life to you? Is it going to work, home and church and than starting all over? Does life seem like an endless list of things you need to get done? If this is your thinking, let this

book allow you to daydream. "Fresh Brewed Life" wakes you up to all that you have been missing out on. Nicole's desire is for you to see the "whole bean" essence of who you are. There is more to life than laundry. You were created to give God glory, not to give dishes that special shine. This book will challenge you to live for the here and now. It deals with real life issues that are facing many women today. She candidly talks about longings (and what we are supposed to do with them), anger, relationships and sexuality. (If you are single, please don't skip this chapter). Nicole Johnson has been in ministry as an actress, speaker and now author with her husband, Paul for almost 10 years. Her humor lightens up heavy subject matter and her God given wisdom will leave you thinking long after the book is done. Nicole so bravely shares her own struggle with beauty, sex, and how to be worthy of the call God has placed on her life. I read this at age 21. I am so glad that I did. I found this book to be very emotional. I went through a lot of issues that I really did not want to deal with. God will show Himself in such a mighty way. The issues seemed to be popping up every where. God used this book to heal a lot of past hurts and give me a hope that does not disappoint. Nicole will tell you to get a journal...so let me beat her to it..."GET A JOURNAL!" Keep your Bible near by. You are in for the ride of your life. Take your time and embarrass all that God wants you to enjoy. Sit back with your favorite cup of coffee (or whatever) and allow the Holy Spirit to teach you though this mighty woman of God. She shows that God will use all of our mistakes for His glory.0 von 0 Kunden fanden die folgende Rezension hilfreich. Pour Me Another CupVon New England MamaI bought this book after hearing Mrs. Johnson speak at the Aspiring Women Conference in Boston 11/99. Incredible is the only word to describe it! Being a speaker myself, it was like watching myself on video tape. She is very animated, but yet controlled and gives many wonderful thoughts and insites to ponder. Nicole writes as she speaks. Which makes the book "chicken soup for a 'sanguine' soul".I've tried reading some other Christian "help put your life together" books which I felt were good, but I couldn't relate very well. Nicole is someone who has lived a 'pretty tame' Christian life, married younger and yet missed 'something'. If you can relate to that, this book is up your ally! Excellent even if it's not.0 von 0 Kunden fanden die folgende Rezension hilfreich. wake-up your soulVon Miriam Wallsas a college student, i have developed a coffee-fetish and"fresh-brewed life" caught my eye at the bookstore immediately. i am a journaler, but this book made me soo excited to write in my journal reminding me that i "must make a life WORTH recording." ms. johnson's words have encouraged me to seek the Lord's love with passion and to allow myself to be satisfied with His invigorating love rather than finding my contentment and satisfaction in consuming things. i loved the directed journaling and the inspiring quotes. i was sad when i finished the book but i'm excited to reread it and the notes i took while reading. i have felt so renewed. :)

KurzbeschreibungWith wit and wisdom, Nicole Johnson leads readers in a journey of awakeningsfirst, to God as they respond to His tender, passionate love for them; second to readers as they embrace their identities as women, their gifts, and their dreams; and finally to others as readers learn to love and communicate in ways that bring joy and closeness.KurzbeschreibungWith wit and wisdom, Nicole Johnson leads readers in a journey of awakeningsfirst, to God as they respond to His tender, passionate love for them; second to readers as they embrace their identities as women, their gifts, and their dreams; and finally to others as readers learn to love and communicate in ways that bring joy and closeness.ber den Autor und weitere MitwirkendeNicole Johnson, author of Fresh Brewed Life, has a uniquely creative voice.
