Pastor Cymbala does it again!Von Ein KundeThe pastor of the Brooklyn Tabernacle has done it again! His new book, "Fresh Faith" really does help one to yearn for that freshness of spiritual faith. Pastor Cymbala, not only shares some of the things that are happening in his congregation (and those stories ALONE are breathtaking), but also helps us to

understand some of the great biblical stories from the aspect of faith and God's faithfulness. Don't be mistaken: This is NOT a "Word of Faith" book, and the author quite clearly states that fact. But, if read carefully, it will help the seeking believer to trust God's Word and to have faith inspired in their soul. All the stories and scriptures are inspiring. What is even more inspiring is a TRIP up to the BIG APPLE and a worship experience with this congregation. The only thing better than the book is THE TRIP. 0 von 0 Kunden fanden die folgende Rezension hilfreich. "Fresh Faith" helped refresh my faith in God! Von Ein Kunde If the day-to-day problems of life have robbed you, this is the book for you! In his follow-up book to "Fresh Wind, Fresh Fire," Jim Cymbala exposes the schemes the Enemy uses to rob God's children of their past, present, and future joys and blessings. "Fresh faith," or a renewed trusting in God, is rightly highlighted, even during difficulties. However, this book does not take problems lightly. It sees them for what they are; yet, it sees God as being greater. He can and should be trusted, especially when things are tough. If your faith seems dry and stale at times, try "Fresh Faith." 0 von 0 Kunden fanden die folgende Rezension hilfreich. Inspiration for new believers Von Angie Rozar This book was a great inspiration to me and my family. It gives many great examples of how God's grace grabs normal people like you and me and won't let go. Mr. Cymbala puts things in terms to where you don't have to be a college scholar to understand things such as, the power and importance of prayer. My husband and I are new believers in Christ and this book has truly inspired us to continue our search for Jesus Christ.

Kurzbeschreibung Pastor Jim Cymbala calls us back to a fiery, passionate preoccupation with God that will restore what the enemy has stolen from us: our first love for Jesus, our zeal, our troubled children, our wounded marriages, our broken and divided churches. Born out of the heart and soul of The Brooklyn Tabernacle, the message of Fresh Faith is illustrated by true stories of men and women whose lives have been changed through the power of faith. Cymbala writes, Real faith is produced when our hearts draw near to God himself and receive his promises deep within. That kind of faith can transform your life starting today, if you choose. Jim Cymbala is an exciting reminder of God's desire to bless and use any faithful and trusting follower of our Lord in supernatural ways. Dr. Bill Bright, Founder and President, Campus Crusade for Christ International. According to Jim Cymbala, Satan is the "master thief" of our day, robbing us of faith. In Fresh Faith, the inner-city pastor and author of the bestselling Fresh Wind, Fresh Fire, challenges despair with the sword of Christian belief. In the wake of Satan's crime wave, Cymbala sees an overriding despondency that leads people to drugs, violence, and suicide. Even among pastors, Cymbala sees a turning away of Christ as "the first love," and instead he finds church leaders who are "hollow shells" of their former zealous selves. The final two sections of his book are devoted to "Getting Past the Barricades" and "Following the Divine Channel," showing readers how belief and trust can restore even the most damaged souls. While Cymbala isn't the first pastor to try to ignite a fresh fire of faith, he is one of the most qualified. When he took over the leadership of the Brooklyn Tabernacle, the congregation was on the verge of extinction with only 26 members. The church is now 6,000 strong and a nationally recognized example of what a community's faith can do. --Gail
