book is a must for any new fisherman. It is very useful Von rringham@bowlinggreen.net From things you already know about fishing to helpful hints and advise on baits, presentation, weather conditions and advise on many different species of fish. This book has been my bible to help me learn the facts of fishing that has taken many fishermen years to learn. Thank you Mr. Kugach. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent guide for the entire family, esp. beginners Von Ein Kunde The book is well-written, with good illustrations. Easy to read for all ages. This is particularly helpful for families that may be just starting to learn to fish together, especially "city-folk".
