Von Danny Wallace : Friends Like These before purchasing it in order to gage whether or not it would be worth my time, and all praised Friends Like These:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Netter NostalgiereiseVon LawbearKurz vor seinem dreißigsten Geburtstag bekommt Danny Wallace von seiner Mutter einen Karton mit Kindheitserinnerungen bereichert und beschließt, den lngst abgerissenen Kontakt mit seinen besten Freunden

aus der Zeit zwischen Sandkasten und Pubertät wieder aufzunehmen. Die Suche und die daraus resultierenden Begegnungen sind ansatzweise beschrieben. Ab und zu wird es auch einmal ernster: nicht alle Freunde können gefunden werden; und nicht jeder der gefundenen Freunde möchte den Kontakt erneuern. Wer ab und zu einmal an die eigene Kindheit und Jugend zurückdenkt und sich fragt, was aus den Freunden von einst geworden ist, wird dieses Buch mögen.

Kurzbeschreibung Danny Wallace is about to turn thirty and his life has become a cliché. Recently married and living in a smart new area of town, he's swapped pints down the pub for lattes and brunch. For the first time in his life, he's feeling, well ... grown-up. But something's not right. Something's missing. Until he finds an old address book containing just twelve names. His best mates as a kid. Where are they now? Who are they now? And how are they coping with being grown-up too? And so begins a journey from A-Z, tracking down and meeting his old gang. He travels from Berlin to Tokyo, from Sydney to LA. He even goes to Loughborough. He meets Fijian chiefs. German rappers. Some ninjas. And a carvery manager who's managed to solve time travel. But how will they respond to a man they haven't seen in twenty years, turning up and asking if they're coming out to play? Part-comedy, part-travelogue, part-memoir, *Friends Like These* is the story of what can happen when you track down your past, and of where the friendships you thought you'd outgrown can take you today... **Pressestimmen** "Danny writes in such an enthusiastic, excitable way that you can't help being swept up with the emotion of his quest" **Werbetext** Danny Wallace sets off on a new quest, to find his old best mates and see how they are dealing with growing up...
