Auch die Geschichte war fr die ganze FamilieVon Guter MannDie Geschichte ist lustig aufgebaut wie die anderen Froggy Bcher auch. Das Englisch ist perfekt zum lernen fr die Schule, Wiederholungen sind vorhanden sowie verschiedene Nutzungen von Wrtern und Zeit.Macht uns allen Spa.0 von 0 Kunden fanden die folgende Rezension hilfreich. Wir lieben ihnVon susaDie Bcher um Froggy sind sehr liebevoll gestaltet und dadurch sehr verstndlich auch wenn man eigentlich kein Wort Englisch versteht. (Natrlich kommt es auch ein wenig darauf an, wie man ihn vorliest. ;))0 von 0 Kunden fanden die folgende Rezension hilfreich. Schne KindergeschichteVon J. ScheerFroggy ist ein sympathischer Frosch und macht die gleichen Sachen, Missgeschicke, die auch Vorschulkinder machen. Daher groer Erkennungswert und Lacher.

KurzbeschreibungIt's a special occasion, so Froggy and his parents are going to eat dinner in a fancy restaurant. When they arrive at the restaurant, Froggy's mom has a few rules for him: "Be neat, be quiet, and don't put your feet on the table." But it's so hard for Froggy to sit still. He fidgets, he squirms, and he ssslluuuuurrrpppps his spaghetti. Then he spots Frogilina across the restaurant-now it's impossible for Froggy to follow the rules!.deOn the occasion of Froggy's parents' anniversary, it's time for the family to head for Chez Yum, a hoity-toity restaurant with tablecloths and flower-filled vases. This means trouble. Froggy only has a few rules to remember--"Be neat, be quiet, and don't put your feet on the table"--but it's absolutely not that simple. Froggy fidgets, shakes salt on his hand and licks it, bangs his spoon

on the table, flips his spoon (bonk! oops!), pulls petals off flowers, sucks on sugar cubes (and ice cubes), and then, of course, simply must flop around singing. Just as he's getting down to actually eating, he spies his pretty classmate Frogilina, a guest star from Froggy's First Kiss. This doesn't help matters. As an embarrassed Froggy ducks under the tablecloth, spaghetti and fly sauce goes, well, flying. At that, the whole family gives up and heads to a local diner for burgers and flies. Youngsters will giggle out loud at the oh-so-familiar stunts (and trademark Froggy sound effects) of an irrepressible frog faced with the dreaded Fancy Dinner. This fine addition to the much-loved Froggy series could serve as a lighthearted way to approach table etiquette, but mostly it's just good messy fun. (Ages 3 to 6) --Karin Snelson
Pressestimmen "Sprinkled with wonderful sound effects, the text is well paced for read-alouds, and the bright, cartoonlike drawings nicely illustrate Froggy's irrepressible energy." "An excellent contribution to the Froggy canon." "An excellent contribution to the Froggy canon." ("School Library Journal"
