of the spread of Christianity from its beginnings. Von Ein Kunde Ruth Tucker traces the spread of Christianity from its very beginning to the present time. Rather than a dry, academic approach dealing with dates and concepts, she captures the very heart of mission by exploring the eras of Christian mission by recounting the lives and experiences of the people who defined them. Her book treats the human dimension of the mission endeavor by delving into the lives of missionaries, some well-known, some all but forgotten. In all, Tucker offers an often compelling narrative that adds drama to an otherwise unexciting topic. Von 0 Kunden fanden die folgende Rezension hilfreich. Great for Future Missionaries!!! Von Ein Kunde Ruth Tucker clearly tells the stories of many missionaries of the past two centuries. Her summaries are concise, and packed full of useful information to help prospective missionaries avoid mistakes. Am not sure how biased her focus on women is, but the stories are amazing nonetheless. It has been amazing to see what God has done through our brothers and sisters! Remember the persecuted!

Kurzbeschreibung This is history at its best. From Jerusalem to Irian Jaya is readable, informative, gripping, and above all honest. From Jerusalem to Irian Jaya helps readers understand the life and role of a missionary through real life examples of missionaries throughout history. We see these men and women as fallible and human in their failures as well as their successes. These great leaders of missions are presented as real people, and not super-saints. This second edition covers all 2,000 years of mission history with a special emphasis on the modern era, including chapters focused on the Muslim world, Third World missions, and a comparison of missions in Korea and Japan. It also contains both a general and an illustration index where readers can easily locate particular missionaries, stories, or incidents. New design graphics, photographs, and maps help make this a compelling book. From Jerusalem to Irian Jaya is as informative and intriguing as it is inspiring an invaluable resource for missionaries, mission agencies, students, and all who are concerned about the spreading of the gospel throughout the world.
