Von Margie Rynn : Frommer's EasyGuide to Paris 2014 (Easy Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's EasyGuide to Paris 2014 (Easy Guides):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. O.k. for a quick overview but less convincing in the fieldVon Robert TobiasIt's light, short, easy to read, and good to get a first overview. However, we found it somewhat difficult to find the right information when required, and missed a detailed index. Also, the description of how to get to certain places is often insufficient or not clear. However, we very enjoyed

the two walking tours.

Kurzbeschreibung Selling for a lower price than any similar guidebook, and deliberately limited to a short 256 pages, this EasyGuide is an exercise in creating easily-absorbed travel information. It emphasizes the authentic experiences in each destination: the most important attractions, the classic method of approaching a particular destination; the best choices for accommodations and meals; the best ways to maximize the enjoyment of your stay. Because it is "quick to read, light to carry", it is called an "EasyGuide", and reflects Arthur Frommer's lifetime of experience in presenting clear and concise travel advice.
