KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fuji X100SVon Helder RodriguesGreat to know more about X100S but also photos basis knowledge.I only can advise for neophyte as I'm. Good description and pertinent exercices!

KurzbeschreibungTheFujifilm X100Sis a digital camera with a 23mm fixed prime lens. It is intended for amateurs to semi-professionals who want a camera that allows them to make great images faster and with less hassle than any other digital camera. While the camera manual explains what the camera can do, it doesnt show exactly how to use the camera to create great images! Thats where Fujifilm X100S: From Snapshots to Great Shots comes in. Starting with the top ten things users need to know about the camera, author Kevin Mullins carefully guides readers through the

operating features. Readers get practical advice from a pro on which settings to use when, great shooting tips, and end of chapter assignments. From Snapshots to Great Shots is a beautiful how-to photography series that provides the perfect blend of instruction, inspiration, and reference for specific camera models and photography concepts. Featuring a clear, elegant design; outstanding images that educate and inspire; and a friendly, accessible voice, this series helps photographers get great shots every time they pick up their camera.
