**Kurzbeschreibung**The body of Christ has completed an important and necessary season. In that move, the key words were hunger, thirst, passion, seeking, pursuing, preparation, purging and process. We are now in a new day! The key words for this move are fullness, wholeness, completeness, and satisfaction. This reformation is better than revival! It's an elevated walk in God's world! This book may be the push that you need to help you complete the transition from the highs and lows of the past move and into the consistent, glory filled life you have been
