Like the playsVon Noelle Crist-seeI'm afraid I haven't had much success with the plays with the 3-4 year olds. But they loved watching me enact it with my puppet dog. The older kids liked the play we did.0 von 0 Kunden fanden die folgende Rezension hilfreich. Prague Theatre Festival Spectator's AwardVon Shelley VernonWe have had GREAT success at

the theatre festival in Prague, the capital of the Czech republic, with some of these sketches. We were given the Spectator's Award yesterday! Thank you very much! Vladimra Kasalov, Czech republic Shelley feel free to use this testimonial for your website. Here below there are some more information about the event and our club: link of the festival. [...] English Theatre Club has been working at Elementary School in Mostek since 2005. We have decided for the show consisting of a series of short sketches in English this year. The performance has originated from "Fun Plays for Children Learning English" published by Shelley Ann Vernon ([...]). The performance was named after one of the games Ready, Steady, Go! You can also watch other sketches such as: Red, Yellow, Green, The Robot, The Best Restaurant, ZOO Talk and In the Library. In the performances you can see pupils from the 4th, 5th, 6th and 8th classes. Each of the sketches is focused on practising a particular part of vocabulary or a specific piece of grammar. In The Robot students train parts of the body and greetings, in ZOO Talk parts of the body again and also names of animals and food, in The Best Restaurant they learn how to order a meal in the restaurant, names of the meals and also names of insects. Children play, have fun and so they learn a foreign language naturally.
