KurzbeschreibungPristine rainforests, an astonishing range of wildlife and 855km coastline of idyllic sandy beaches; little-visited Gabon offers adventurers and nature-lovers a glimpse of a world of breath-taking natural beauty. Home to an astonishing range of wildlife from gorillas to whales, the country is particularly prized by birders. Updated throughout, this new edition of the only English-language guide provides visitors with indispensable information on how to travel to Gabon's national parks and beyond.KurzbeschreibungPristine rainforests, an astonishing range of wildlife and 855km coastline of idyllic sandy beaches; little-visited Gabon offers adventurers and nature-lovers a glimpse of a world of breath-taking natural beauty.
