Von Gerald Martin : Gabriel Garca Mrquez before purchasing it in order to gage whether or not it would be worth my time, and all praised Gabriel Garca Mrquez:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A biography worth readingVon Prashanth MHe is not the Hero of the Masses, he is not a controversial politician and neither is he a guitar toting rockstar. What makes Garcia Marquez's biography interesting is that you connect to it.Gerald Martin has spent years in writing this biography. He offers explicit accounts of Gabo's life but also takes you on a tour in understanding literary research. His interpretations, which sometimes seem purely dissective and

sometimes too judgemental, offer a perspective on Gabo's life which fulfills the effort of reading this 650 page mammoth of a book. A biography worth reading.

Kurzbeschreibung In this exhaustive and enlightening biography nearly two decades in the making Gerald Martin dexterously traces the life and times of one of the twentieth century's greatest literary titans, Nobel Prize-winner Gabriel Garcia Marquez. Martin chronicles the particulars of an extraordinary life, from his upbringing in backwater Colombia and early journalism career, to the publication of *One Hundred Years of Solitude* at age forty, and the wealth and fame that followed. Based on interviews with more than three hundred of Garcia Marquez's closest friends, family members, fellow authors, and detractors as well as the many hours Martin spent with Gabo himself the result is a revelation of both the writer and the man. It is as gripping as any of Gabriel Garcia Marquez's powerful journalism, as enthralling as any of his acclaimed and beloved fiction. From the Trade Paperback edition. **Pressestimmen** 'Gabriel Garcia Marquez once remarked that "every self-respecting writer should have an English biographer". He could have asked for none more accomplished than Gerald Martin' Angel Gurria-Quintana, *Financial Times* 'Gerald Martin has done a good job here in presenting the myths about the career, as well as debunking many of them' Philip Hensher, *Spectator* 'Masterful an astonishing feat: a subtle tribute to a very complex man and an indispensable key to his life's work' Ed King, *Sunday Telegraph* 'Martin blends the stories and novels superbly into his narrative This first biography in English helps readers to ground his exceptional fiction in history' Jason Wilson, *Independent Book of the Week* **Kurzbeschreibung** In this exhaustive and enlightening biography nearly two decades in the making Gerald Martin dexterously traces the life and times of one of the twentieth century's greatest literary titans, Nobel Prize-winner Gabriel Garcia Marquez. Martin chronicles the particulars of an extraordinary life, from his upbringing in backwater Colombia and early journalism career, to the publication of *One Hundred Years of Solitude* at age forty, and the wealth and fame that followed.
