Von Fenton Johnson : Geography Of The Heart (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Geography Of The Heart (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Touching, Warm, Loving, A work of art!Von Ein KundeIt is rare that I consider a book to be a true work of art...Fenton Johnson has made that happen and I congratulate him on his tremendous work. It is a story 'from-the-heart' and as a reader it is a treasure and a privilege to be given the opportunity to 'participate' in a love story such as this. I

could not lay it down, even for coffee!!...I laughed, I cried, I was warmed inside...I could smell the hush puppies..it was a wonderful experience for me...I will remember!0 von 0 Kunden fanden die folgende Rezension hilfreich.
Exquisite writing and graceful honestyVon Matthew CarnicelliFenton Johnson's memoir of his partner's death is one of the most touching and honest accounts of love I have ever read. And it is Johnson's tremendous talent as a writer that enables him to convey such powerful and enduring feelings without being the slightest bit sentimental.

KurzbeschreibungPoignant and affectionate, *Geography of the Heart* is a moving portrait of Lambda Award winner Fenton Johnson, the son of a Kentucky whiskey brewer, and his fateful lover Larry Rose, who, three years into their intense relationship, died of AIDS. Rose had been upfront about his condition from the start of his relationship with Johnson, and the knowledge left their interactions fraught with the pain of anticipated loss. Though Johnson never contracted the virus himself, Rose's physical decline haunted him. He had come to depend on Rose for his care and understanding as much as Rose, increasingly fragile as their relationship progresses, depended on him. The vivid, poignant, and wise tribute to his soulmate that Johnson has distilled into *The Geography of the Heart* is a memoir like no other, a startling story of compassion, perseverance, and the acute wounds that can linger in the shadow of true love..deIn 1990, Larry Rose, the partner of novelist Fenton Johnson, died of complications from AIDS. In *Geography of the Heart*, Fenton, author of *Scissors, Paper, Rock*, *Songs of the Soil*, and *Crossing the River*, honors Rose with a beautifully written memoir. Alternating between his own story and Rose's as far back as childhood, Johnson fashions a moving portrait of the man who was "a teacher, [who] taught me how to love."KurzbeschreibungPoignant and affectionate, *Geography of the Heart* is a moving portrait of Lambda Award winner Fenton Johnson, the son of a Kentucky whiskey brewer, and his fateful lover Larry Rose, who, three years into their intense relationship, died of AIDS.
