Rucksacktouristen ein Muss! Von Ein Kunde Joe Pauker nimmt in seinem Reiseführer Themen auf, die in anderen, "normalen" Reiseführern nicht oder nur kurz angeschnitten werden (zB: Tipps zum Drogenkonsum, Infos über die Hausbesetzerszene, Adressen von Sexshops und Tattoostudios, die günstigsten Hostels in der Stadt, etc.). Das Buch ist eindeutig auf eine Subkultur (Rucksacktouristen, Sphippies, etc.) ausgerichtet und Menschen, die mehr Wert auf Komfort legen und Spa daran haben als Touristen unter Touristen zu bleiben, werden daran keine Freude finden. Gut gefallen hat mir der sehr subjektive Stil und die vielen, zum Teil sehr informativen Internetadressen in dem Buch. Der einzige Schwachpunkt an dem Buch ist die Karte, die sehr mager ausgefallen ist. Angeblich soll es auch eine deutsche Version geben, ansonsten reichen Grundkenntnisse in Englisch und ein Wörterbuch - für die speziellen Wörter, die man nicht in der Schule lernt - völlig aus. 2 von 2 Kunden fanden die folgende Rezension hilfreich. *get an opinionated, uncorrupted, funny guide to Amsterdam.* Von Ein Kunde *With this guide, I found that I was going on recommendations by someone who really knows Amsterdam and that I was going places where no other guide book would send me (I checked). If you're planning a trip to Amsterdam and don't consider yourself an old fogey, you should buy this one first!* 1 von 1 Kunden fanden die folgende Rezension hilfreich. *Great Book, Not for Those Looking for a Typical Travel Guide* Von Allison Motto *When I was transferred to Amsterdam for a year I went out and bought several guides to the city. A friend gave me this book as a going away present and told me that it was what I "really needed to get to know Amsterdam". This is not your parent's travel guide (actually...depends on your parents). Get another guide to find the art museums and the five star hotels. This is the guide to find out where everyone is hanging out, buying their drugs and their music. I especially recommend it to find some laid back non-touristy coffee shops and some touristy but fun off beat museums. Only problem is the price, a bit steep for such a short guide, but it is in the end worth the price.*

**Kurzbeschreibung** *Get Lost!* is back. The new, 11th edition sizzles with the freshest and most exciting things to do in Amsterdam. Opinionated, but never irreverent, *Get Lost!* remains the only guide to cover Amsterdam's underground culture accurately and extensively. *Get Lost!* leads travelers to the cheapest, funkier and most delicious spots in town: Inexpensive organic restaurants, cool bars and clubs, an array of alternative museums and galleries, mind-expanding cafes, one-of-a-kind shops, theme hotels--even the kinkiest Red-Light-District corners. Readers trust the Cool Guide for practical information that every visitor needs--accommodation, transport, weather, etc. But they also read it for the lowdown on more obscure topics, like local pirate radio, fair trade cannabis and the Amsterdam squat scene. As always, *Get Lost!* is printed on post consumer paper and uses soy-based ink. With this legendary guide, every traveler has a cool friend in Amsterdam. *de* Joe Pauker, who refers to himself as "a goof," has compiled what is perhaps the funniest, most original guide available to the city of Amsterdam. *Get Lost! The Cool Guide to Amsterdam*, which is clearly not aimed at mainstream travelers, will take you to the places that standard guidebooks don't bother to cover (at least not in any detail): sex shows, hemp and 'shroom shops, and places where you can get free samples of cheese when you're too low on cash to buy food. Pauker's not shy about sharing his opinions, either. On taxis: "They're expensive, and they treat cyclists like shit, but if you really need one ... [they're] very comfortable." On banks and developers who would evict squatters: they're "conservative pigs who care more about money than people." And on cannabis: "nederwiet (Dutch grown weed, such as Northern Lights) is spectacular." Off-the-wall humor and opinions aside, you get the feeling that Pauker really knows Amsterdam and wouldn't give you bum advice. Hotels and hostels (including the comfortable couches at Schiphol Airport), restaurants, attractions, and shopping are all covered in some detail, and obvious care was taken in selecting those establishments hip enough (and cheap enough) to make it into the book. If you're the kind of traveler who might need the Dutch translation of "stoned as a shrimp," or if you simply appreciate a fresh perspective and directions away from the trampled path, let Pauker be your guide to the "coolest, most happening city in Europe." **Kurzbeschreibung** *Get Lost!* is back.
