somehow entertaining

I never really could relate to the character of the Ghost Rider. He was - how shall I phrase it - too 70s for me. A man with a flaming skull on a motor-bicycle, you never would have thought this would get a movie starring Nicolas Cage. - Oh, he has been played by Cage, you say? Never mind! Well, I recently stumbled over Jason Aaron, writer sublime. And he takes this character, no, both these characters, Johnny Blaze and Danny Ketch, and brings them into the 21st century. (Mild spoilers ahead:) Although the Ghost Riders always thought that their status came out of a pact with the devil their gift is rather celestial. But one of the most powerful angels, Zadkiel is conspiring against God Almighty himself. So the Ghost Riders have to save Heaven and Earth. They do this helped by some and opposed by others. You really have to get used to all those characters from Old Testament and Talmud come alive, but if you get used to it there is an entertaining story with nuns wearing machine guns and all sort of odd characters. Just have fun! The collection contains Ghost Rider (2006) #20-35 and Ghost Riders: Heaven's On Fire #1-6, which is Aaron's complete run. The art by Roland Boschi, Tan Eng Huat and Tony Moore is not outstanding, but it supports the story, although it is a little bit too slow burn, too de-compressed for me. All those guys evidently like to draw a man with a flaming skull on a motor-bike on a splash page. Some help to decide to buy this book is a price for a hardcover that still makes one single issue cheaper than when it originally appeared.

Von breedstorm (Comic-Cookies Podcast)  
Da Panini leider Ghost Rider nicht weiterfñhrt, bieten sich die US-Trades frmlich an, besonders, da Jason Aaron (Scalped) der Autor ist. Gezeichnet wird das ganze von Roland Boschi. In diesem Band ist "Ghost Rider: Heaven's On Fire" 1-6 enthalten, also die Auflsung des Runs von Aaron. Denny Ketch und Johnny Blaze, beide Brder und Ghost Rider, wollen Rache. Zadkiel, der gefallene Engel, hat ihr beider Leben verhunzt, und strebt nun danach, Herrscher des Himmels zu werden. Um den Engel zu bezwingen, mssen sie den Anti-Christen, gerade eben wieder in Gestalt eine kleinen Jungen beschworen, beschutzen, doch das ist nicht so einfach... Jason Aaron hat beschert uns hier ein furioses Finale mit Showdown. Dazu hat er einige klassische Gegner aus der Mottenkiste geholt. Big Wheel, Orb, Trull... wer htte gedacht, das diese viertklassischen Schurken mal im Dienste von hheren Mchten stehen? Schon aufgezeigt wird auch die schwierige Situation der Brder Johnny und Danny, die beide jahrelang nichts voneinander wuten, und nun wohl oder bel miteinander auskommen mssen. Das Danny seine Seele an den Leibhaften vergeben hat, macht die Sache nicht einfacher. Fazit: Schnes Finale des Aaron-Runs!
