Von Arthur W. Pink : Gleanings in Exodus (Gleanings Series Arthur Pink) before purchasing it in order to gage whether or not it would be worth my time, and all praised Gleanings in Exodus (Gleanings Series Arthur Pink):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Pink's ExodusVon Ein KundeAs always, Pink squeezes much juice from the fruit of the text and shares it with us liberally. In many places he also shares the pith of the Puritans with whom he was intimately conversant. The only Pink to avoid is his 'Antichrist', whose faulty eschatology he was later to disavow. His 'Sovereignty' of God must be also shunned in the Banner of Truth edition, emasculated by the knife of its editor, Iain Murray. It's a must-have, but only in the

unabridged edition from Baker. Other than that, add as much Pink to your library as your budget allows. Save your lunch money.

Kurzbeschreibung Gleanings in Exodus contains exhaustive studies that bring out deep theological and spiritual truths from the Scriptures. This is an excellent resource book.
