**Von WARREN ELLIS : Global Frequency** before purchasing it in order to gage whether or not it would be worth my time, and all praised Global Frequency:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. GENIAL!Von CenoEin Muss fr alle Fans von Graphic Novels.Das Besondere: an jeder der skurrilen Geschichtenarbeiteten jeweils verschiedene Autoren bzw. Grafiker.Dabei zieht sich die geheimnisvolle Behrde

"Global Frequency" durch alle Geschichten. Der Reiz liegt vor allem in den unterschiedlichen erzählerischen und zeichnerischen Umsetzungen der Kurzgeschichten.

**Kurzbeschreibung** Created by Entertainment Weekly "It" writer, Global Frequency is a worldwide rescue organization that offers the last shred of hope when all other options have failed. Manned by 1001 operatives, the Frequency is made up of experts in fields as diverse as bio-weapon engineering and Le Parkour Running. Each agent-equipped with a special mobile vid-phone-is specifically chosen by Miranda Zero, enigmatic leader of the Global Frequency, based on proximity, expertise, and, in some cases, sheer desperation! This 288 page volume collects the entire 12 issue Global Frequency storyline in one trade featuring art by mindblowing collection of artists including: Lee Bermejo, Glenn Fabry, Steve Dillon, David Lloyd, Gene Ha and many others.

**Pressestimmen** Explosive storytelling and provocative politics. Entertainment Weekly Warren Ellis has put passion and commitment back into adult graphic SF. Michael Moorcock Warren Ellis can be fierce about a multitude of things, yet one suspects he is fiercest when it comes to his demands upon himself. Alan Moore Grade: A-. Part Buckaroo Banzai, part X-Files, Global Frequency starts in the middle of a mind-bending nuclear crisis and hauls ass straight through to the close.
