Von Christina Rossetti : Goblin Market (Dover Fine Art, History of Art) before purchasing it in order to gage whether or not it would be worth my time, and all praised Goblin Market (Dover Fine Art, History of Art):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A Pre-Raphaelite Classic!Von Ein KundeThe Goblin Market is a masterfully crafted example of Pre-Raphaelite fantasy fiction written in the form of a poem. It was definitely not written for children -- modern parents should use their own judgement as to its suitability for a modern child. I think it is very unlikely that any Victorian mother read this aloud to a young child as a bedtime story (cautionary or otherwise). Victorian readers undoubtedly understood the nuances of the Rossetti's poetry far better than the average reader today would.1 von 1 Kunden fanden die folgende Rezension hilfreich. A Tale on Two LevelsVon Ein KundeVictorian mothers actually read this work to their daughters as a cautionary tale of the evils of the world and the risks of forsaking sisterhood for association with the "coarser" gender.

It seems amazing today that the imagery and symbolism, most explicit in the author's mind and to modern readers, must have been invisible to the conscious Victorian mind. This work is remarkable for its literary sublimation of seething, repressed sexuality.

Kurzbeschreibung This lovely gift edition of Christina Rossetti's most famous poem will enchant readers of all ages. For children, the story offers a captivating adventure into a land of fantasy. For adults, it's a lyric and sensual allegory of temptation, sacrifice, and salvation. Arthur Rackham, a peerless illustrator of fairy tales and supernatural creatures, portrays the poem's otherworldly attractions in four color and 20 black-and-white images plus a reproduction of a rare watercolor.
