**Von Kay Arthur : God, Are You There? (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised God, Are You There? (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great group study bookVon Ein KundeI really like how this book is structured for a group environment. You can meet once a week and go over what you learned, but in between you are guided on how to study daily. Most importantly it is

focused on the Bible you're reading the scripture along with each lesson. It doesn't skip around a book in the Bible just pick out key points, it stays focused on what is said in context and forces you to look inwardly about your true relationship with the Lord! Enjoy!

Von David V Barranco  
I have just completed the 15 week study from this book and I found that I truly learned more studying the bible through the inductive system than by any other means. I highly recommend this book!

**Kurzbeschreibung**  
Popular teacher and speaker Kay Arthur has developed a study specifically for those who are unfamiliar with the Bible. It introduces readers not only to God's Word but to the God of the Word. In this exciting study, Kay Arthur takes readers by the hand, gently leading them through the Gospel of John and introducing the inductive method of study. Readers will come away with solid, tested Bible study methods and an understanding of who God is and how to know Him better. *God, Are You There?* is a life-changing adventure into a beloved gospel. It's easy to use a "quick-start" program for anyone new to the truths of God's Word or for a group needing just the right number of lessons.
