A moving book for myself and my petsVon Ein KundeI was deeply moved by this book and hope that others will find the same tenderness and peace from reading it, and sense the truth of it in the air around them as they read. This book comforted me on a night when sorely needed, but the changes it will bring to my understanding of who is here in our home with us, helping us, will change our lives forever. I find myself wishing it were possible to somehow pour this book into the drinking water of every city and town... we would all be the better for partaking of its comfort, truth and joy...0 von 0 Kunden fanden die folgende Rezension hilfreich. 'Gargoyles' lets children know they are always loved.Von Ein KundeI bought 'God Bless the Gargoyles' after reading a few quoted lines of the verse in another story I read, and I must say that this is one of the best children's books I have ever seen. The paintings were beautiful, and so was the poem. I'm a little old myself for children's books, but I find myself glancing over the book often; it appeals to all ages, for everyone has felt alone at one time or another. I also read it to my energetic four-year-old nephew, who loves 'Gargoyles,' the animated television show. The paintings, gentle rhymes, and subject matter held his attention the entire time I was reading, and it was a great way to let him know that he was loved. This book should be in every

Touching,a story to delight adults as well as children.Von DeeClark@aol.comMy daughter used this wonderful book for the Children's sermon in our Church this past Sunday. She wanted to get across the idea of how something or someone who appears ugly on the outside, is often beautiful on the inside. Her use of this beautiful story, reached the hearts of not only the children in our service, but the adults as well .

KurzbeschreibungBehind their cold, stone faces, gargoyles have warm, loving souls -- yet most people don't look deeply enough to notice. Angels can see the good inside them, though, and tonight the angels will sweep down to take their silent, stone friends on a magical journey, hand in hand. Caldecott Honor artist Dav Pilkey's lyrical tale of these gentle stone creatures come to life is a reminder that everyone -- from the grievers to the dreamers to the believers -- is worthy of love.Pressestimmen A book for all seasons.Family Life In its combination of fantasy and soul, this fable offers a prime instance of how to teach morality.The New Yorker Exuberant artwork...inspirational.Publishers Weekly Readers will find solace in this modern-day answer to existentialism.Kirkus s
