A Recipe for Spiritual GrowthVon Ein KundeI read this little book for the first time in 1978 when it was presented to me by a friend. It then remained tucked away and forgotten until recently when I began searching for spiritual comfort, growth, and guidance. How powerful it still is! I didn't just find it something to soothe my hurts. I found it to be challenging and downright confrontational on occasion. I needed that!The "two listeners" are not psychics, but two women wished to share with others some of the lessons God taught them in their journey together with Him.As a means of deepening my daily devotionals, I have chosen to use a concordance and my Bible to locate the scriptures

which deal with the daily topics. The "Two Listeners" CAN be validated by scripture. I would challenge their skeptics to use God's Word for proof.³ von 3 Kunden fanden die folgende Rezension hilfreich. This Book has Turned My Life Around! Von Ein Kunde Chronically ill with a degenerative bone disease, I was depressed and beyond hope. Nothing held meaning for me. The Bible seemed too harsh and I had a hard time relating to it. Then a friend gave me a copy of this book, and it has completely turned my life around. I have given away dozens of copies to friends and family. And they all constantly tell me how much it has meant to them and also buy copies for their friends! If you are looking for a book to nurture your spiritual growth, this is it! It is my all time favorite book!² von 2 Kunden fanden die folgende Rezension hilfreich. Truly inspired - a "must" for Christians Von Ein Kunde This unassuming little volume is one of the most exciting and challenging yet encouraging things ever written. It deserves to be cross-indexed, studied, inwardly digested and lived by. It has the power to energize the prayer and works of any believer. As a Christian who has read this book and its companion volume "God at Eventide" for many years I am fully convinced that Jesus Christ Himself speaks through it - but every reader must decide this for himself. Test it (1-John 4:1-8) against Holy Scripture - you will find no contradiction, only confirmation and clarification. I cannot begin to describe how much "God Calling" has helped, strengthened and encouraged me through my life. Buy it, keep it with you and read a little every day. Then come back and buy one for every person you truly love.
