**Von Tod Linafelt : God in the Fray: A Tribute to Walter Brueggemann** before purchasing it in order to gauge whether or not it would be worth my time, and all praised God in the Fray: A Tribute to Walter Brueggemann:

**Kurzbeschreibung**This volume engages the work of Walter Brueggemann, most of which has been published by

Fortress Press. The volume centers on the character of God in the text of the Old Testament as a site of theological tension and even ambivalence. Biblical faith never experiences God as entirely above the fray but rather as entangled in history, astonishingly transformative, and impinged upon by the voices of the suffering. Brueggemann's monumental *Theology of the Old Testament* addresses this fact with great theological insight and rigor, and the internationally renowned biblical scholars writing here engage and extend his insights into the "unsettled Character . . . at the center of the text." *Kurzbeschreibung* This volume engages the work of Walter Brueggemann, most of which has been published by Fortress Press.
