Biblically based, lucid in style, and skillfully applied. Von Ein Kunde As written in Moody Magazine, May/June 1999: David Jeremiah, a seasoned pastor and skilled theologian, writes (and preaches) theology the way it should always be done - Biblically based, lucid in style, and skillfully applied. This sort of communication is especially important in the doctrine of the Holy Spirit, where much misunderstanding and excess have clouded a teaching that is crucial to the spiritual health of individual Christians and the Church. Though Jeremiah writes with clear conviction, his approach is irenic without compromise. His teaching is ordered and systematic without being pedantic. Fitting illustrations abound, and real-life situations bring a warmth that draws the reader in and along. One can clearly sense the heart of a true shepherd who is determined to guide, nurture, and protect the flock of God, in the appropriation of God's power for everyday living in both its highs and lows. I recommend you steer clear of this book Von Matt Schilling (schillingmj@petragroup.com) David Jeremiah writing about the Holy Spirit is like a dentist writing about brain surgery. The notion that the gifts are not active today is worse than foolish and unbiblical - it is anti-biblical. Scripture cannot be broken. Yet, Jeremiah professes to be in the office of Pastor/Teacher, yet denies the offices of Apostle and Prophet still exist. Excuse me, but all 3 are declared in the same passage to be in existence for the same reason and until the same time (Eph 4:11-13). If you are a Christian, Paul wrote 1st Corinthians to you (see verse 1:2). In that book, Paul repeatedly commands us to covet the gifts (12:31, 14:1, 14:39). David Jeremiah directly contradicts the Apostle Paul. You, therefore, have every reason and right to ignore him. In Acts 2:14-21, Peter declares the span of time that extends from Pentecost to the Return Of Christ is one unit - The Last Days. The author of Hebrews gives the same period of time one name: "Today" (Heb 4:7). So, how does this modern Sadducee dare carve it up and say that God treated the first century differently than the rest? Rightly did the Master speak about David Jeremiah when He said 'You are in error because you do not know the Scriptures or the power of God!' (Mt 22:29)

Kurzbeschreibung For many believers, the mystery of the Holy Spirit remains just that. God in You, now in popular trade paperback format, is the layperson's guide to this often-misunderstood member of the Trinity. Pastor David Jeremiah explores the Holy Spirit in concrete terms, leaving abstract concepts behind. Not an idea, not an influence, not some vague, mystical force, Jeremiah explains, the Holy Spirit is actually the almighty God of the universe come to live inside the believer's skin. And a clear understanding and appreciation of His attributes can ignite the passion of every Christian's walk with Christ. In this compelling, gently instructive book Jeremiah affirms, "Without [the Spirit], we're about as useful to God's kingdom as an unplugged toaster."
