KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A must read and keep for every library - gain wisdom from other people's successes and failuresVon PetraAn honest study of where these godly people succeeded - and where they failed. Better to learn from them who walked before us and gain wisdom from their lives - than possibly learning the hard way ourselves. Easy to read, precise studies on each person. A great resource for anybodys library and all people of all ages.0 von 0 Kunden fanden die folgende Rezension

hilfreich. Tolle Bcher, gut geschrieben! Von Rebecca Vanden Berg Ich habe die ganze Reihe bestellt weil manchmal brauche ich Ermutigung. Diese Bcher sind gut geschrieben, und wir brauchen solliche Vorbilder um zu wissen dass es anders geht als wie es ofters vorgelebt ist!

Kurzbeschreibung Roberts Liardon recaptures God's glory with these compelling spiritual biographies of some of the most powerful preachers ever to ignite the fires of revival.
