marriage. It is well worth the money.

Kurzbeschreibung For unhappy marriages or for married couples who act more as roommates than husband and wife, Gods Marriage Code of Conduct can help hurting couples overcome the loneliness and trials within their marriage. Author Joy Callahan shares what she learned from her own failing marriage and how she used Gods blueprint to save it. She lays out Biblical principles and Gods laws, that if not followed, can cripple a marriage. By embracing His truth, marriages can be restored to a lifetime of passion and peace.
