Absolutely terrific book!Von Ein KundeThis is a wonderful, insightful, and well-written book for both Christians and spiritual seekers. The author explores several controversial topics -- including sexuality, doubt, business ethics, and

forgiveness -- from a biblical perspective. He explores the "why" behind Christian teachings, showing the relevance and wisdom of Jesus' instructions. And he talks about the "how" -- how to forgive those who've wronged you; how to maintain integrity in the business world; how to overcome loneliness; and how to deal with the doubts that pester everyone. His chapter on Jesus' most controversial claim -- that He's the one and only Son of God -- is worth the price of the book! I highly recommend this creative and powerful book to everyone who's investigating the most outlandish assertions of Jesus of Nazareth. This book will make a difference in every aspect of your world.
