Wunderbare Biografie eines turbulenten Lebens  
Von BookAddict  
Auf das Buch von Giuliana Rancic habe ich lange gewartet und wurde nicht enttäuscht!  
In den USA ist Giuliana sehr bekannt durch E! News und die Reality Serie "Giuliana und Bill", in der man sie als witzige, intelligente und freche Frau kennenlernt. In diesem Buch bekommt man einen Einblick in ihr Leben jenseits der Kameras und in ihren Kampf gegen Unfruchtbarkeit und Krebs. Lustig und stellenweise auch traurig aber immer hoffnungsvoll liest sich das Buch und ist leider viel zu schnell ausgelesen. Für jeden, der Giuliana sowieso schon mag und auch für alle, die gerne gut geschriebene inspirierende Biografien von starken Frauen lesen - dieses Buch ist ein ganz Besonderes!

**Kurzbeschreibung**  
A witty, warm, and inspiring memoir from the E News! host, Fashion Police panelist, red-carpet correspondent, author, and reality show star Giuliana Rancic. Giuliana Rancic is best known for interviewing A-listers on the red carpet and E! News, skewering their shocking style choices on Fashion Police, and giving viewers a front row seat to her marriage and family life on her reality show, Giuliana Bill. What fans may not know is that she learned English from Eddie Murphy, got her American citizenship so she could be a beauty queen, and used to have a bad habit of stealing cars for fun. Giuliana bares this and so much more in her hilarious, warm, and inspiring memoir, *Going Off Script*. From a young age she dreamed of being a TV anchorwoman but, because of her inclination toward mischief and away from schoolwork, her path to her dream job was far from straight. After a fateful (and mortifying) encounter with the late Senator Ted Kennedy, she learned that Hollywood news was where she belonged. Thankfully for readers, this epiphany led her to a bounty of LA misadventures (featuring notables such as Johnny Depp, Leonardo DiCaprio, and Russell Crowe) and an entertaining behind-the-scenes perspective on what our favorite celebrities are really like. In spite of her glamorous Hollywood life, however, Giuliana could not escape some rockier times, including her battles with infertility and breast cancer. Here, for the first time, she reveals the whole truth behind her well-publicized struggles, and the highly controversial decisions she had to make. And, of course, at the heart of it all are the two loves of her life who keep her strong through everything, her husband Bill and her son, Duke. Candid, funny, and poignant, *Going Off Script* is an autobiography that proves you don't always have to follow the rules to get the life you've always dreamed of.
