Von Ciara O'Toole : Going Solo on Lake Como: Memoir of an Irish womans adventures in Italy (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Going Solo on Lake Como: Memoir of an Irish womans adventures in Italy (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. gerne mehrVon InesHabe es verschlungen, weil es mal ein ganz anderes Leseerlebnis war. Ein "Frauenbuch" ohne die

typischen Klischees. Die Autorin beschreibt eine schwierige Zeit in ihrem Leben, ohne Anzulegen und intime Details preiszugeben. Trotz allem ist die Geschichte geprägt von Zuversicht und Lebenslust. Die Tatsache, dass es sich um eine Frau aus Irland in Italien handelt, die erfolgreich ihren Weg geht, hat bei mir gepunktet. Hätte gerne noch weiter gelesen...It was a lovely read, honest and intimate without the need to go in to much detail. Even so the author describes a difficult time in her life it's a positive book throughout. The Irish girl in Italy shows you "la dolce vita", regardless what comes her way. I could have kept reading and thinking "you go girl" ...0 von 0 Kunden fanden die folgende Rezension hilfreich. Ciara O'Toole du bist ein Vorbild für viele anderen ! Von Alexandros Ioannou Sehr begeistert. Lebens Erfahrungen die viele dafür noch Träumen. Ciara ist im Buch eine sehr sympathischer Mensch und ein positiver Charakter. Ein Buch voll mit Liebe, Leidenschaft und verschiedenen entspannten Lebenserfahrungen ! Cheers Ciara !!! You are great !

Kurzbeschreibung 'It's moving, it's funny, it made me laugh, it made me cry. It made me want to move to Italy tomorrow and fly a plane next week. It is epic in scope but incredibly intimate.' Jane Maas, Author of 'Mad Women: The Other Side of Life on Madison Avenue' When Ciara O'Toole and her husband move to Lake Como, Italy, they make plans - to run their own businesses, to learn the language and to immerse themselves in the Italian way of life. But just a few months into the adventure Ciara's marriage ends and she finds herself alone in a country where she doesn't speak the language. She is faced with a choice: return to Ireland or stay in Italy and make her new life work. Determined to make a go of it, she throws herself into everything - forging new friendships - whirlwind romances, attempting to eat her own weight in four-cheese pizzas ... and learning to fly a seaplane! Her new passion grips her as she works tirelessly towards an all-important milestone: her first solo flight. Told with warmth, humour and disarming honesty, Going Solo on Lake Como is the inspirational story of how one woman finds her wings and takes to the skies.
