Von Tao Berman : Going Vertical: The Life of an Extreme Kayaker before purchasing it in order to gauge whether or not it would be worth my time, and all praised Going Vertical: The Life of an Extreme Kayaker:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich.
Interessanter Einblick ins Leben eines Extrempaddlers Von Christian H. Tao Berman ist wohl einer der bekanntesten Extrempaddler in der internationalen Kajakszene und dieses Buch fasst sein Leben, seine Erlebnisse, Ansichten und Weisheiten zusammen. Neben Taos Lebensgeschichte, kleinen Anekdoten und Kommentaren von Freunden und Verwandten erhält der interessierte Leser ein kurzweiliges Lesevergnügen im DIN A5 Format. Wer mehr über die Marke

Tao Berman und was ihn antreibt erfahren will sollte zugreifen, die anderen lesen besser Dudinzews Klassiker.

Kurzbeschreibung Running wild in the mountains of eastern Washington as a child, extreme kayaker and entrepreneur Tao Berman continues to run wild through the record books and life. A world-record waterfall-drop holder since his 98.4-foot kayak flight off of Upper Johnston Falls in Banff National Forest, Berman exemplifies his philosophy of "I'd rather die than lose" in both his experiences as a super athlete and his work as a successful businessman. Going Vertical is a parallel narrative of triumph in both areas, bringing readers along for the ride as the author pushes the limits of possibility. In chapters such as "The Tao of Marketing" and "The Tao of Risk," he translates the wisdom he's gained performing extreme sports to the dialect of the business world. Going Vertical guides readers into rarely glimpsed realms of achievement and shows by example how to attain the mindset to master them.
